Sounds good, we'll have plenty of forms.

Officer Biondo,

I picked up a bunch of the driver's license/ID card apps today, form DL 44.  
I tried online, but they had to be picked up in person.

PATH is planning to be out tomorrow to work on getting these filled out.  
They'll be at the Fig office around 9:45/10am tomorrow (Tuesday) to get the forms from me.

They will attempt to get individuals to fill these out.  
Any other instructions I need to pass on to them?

Thanks,  
Aaron

How would this Thursday (4/14) at 10am work to have PATH begin working on the apps?

I have them holding that day/time for the moment.  
If it works just get us the applications and any instructions they may need.

Thanks,  
Aaron

We can do it later. however I need them to spearhead getting the applications complete. DMV wants all of the applications as well as the fee waivers complete (BEFORE) the homeless go in and present their documentation.

Hi,

Strange, Darlene is still there, though she's been out of the office the last week. I think that's a great idea and speeds up the process. It looks like the dmV needs it to be a Wednesday, so I need to discuss PATH changing days in the coming week, maybe the April 20th date.

Question: Do the individuals need to be present at the dmV or can the paperwork just be dropped off?

I'll touch base with PATH on Monday to discuss with them. When are you around next week to meet?

Thanks,  
Aaron

This is Officer Biondo. Hope all is well. I wanted to see if we could meet to discuss some concerns I have with the PATH working relationship. I have reached out a number of times and did not get a response. Is Darlene Fernandez still at PATH? I was told she was the contact person however the last few e-mails and calls have been unreturned. I wanted to plan to have PATH assist with getting many of the individuals under the freeway to the DMV to turn in paperwork to get their IDs so they can move more rapidly toward housing and benefits. It was my plan to have them assist the homeless with filling out the paperwork so this can be done. DMV is on board, (I confirmed in an email I will send you). Can you help clear up the confusion?

Hi Officers,

At our BID board meeting next week, the focus of the meeting will be a BID renewal workshop (BIDs typically expire every 5 years).

The agenda won't be covering our standard monthly reports, like public safety, so you guys don't need to attend the meeting. Of course you're welcome to come if you like.

Let me know if you have any questions.

Thanks,  
Aaron
